  - You must be visible during the video
  - If you cannot find a device to record (or a metronome), one may be borrowed from the music department
- Complete a **self-assessment** for your performance:
  - The assessment form can be found on our website or Google Classroom.
- **Email** your video and self-assessment form to Mr. Zieske within 14 days of the performance
- Make-up assignments must be completed **outside of class time**:
  - Before or after school
  - At lunch
  - During advisory (if possible)
  - Anytime outside of school (at home, etc.)
